

Product Name **button**

Primary material	SR
Specifications	Customised services
Performance indicators	<p>Pressure cycle life: $\geq 500,000$ cycles, with no significant fatigue failure in the elastic arm structure;</p> <p>Pattern adhesion test: Passes cross-hatch adhesion test, withstanding wiping with isopropyl alcohol, ethanol, alcohol, petrol, etc., without peeling;</p> <p>Light transmission performance: Controllable local light transmittance with clear regional light sources and high contrast;</p> <p>Material properties: Excellent flame retardancy, high/low temperature resistance (-40°C to 200°C), superior insulation and chemical resistance.</p>
Product Features	Highly resilient and resistant to indentation, with strong pattern adhesion, flame-retardant, dust-proof and stain-resistant.
Fields of application	Operating key systems for products including home appliance control panels, smart meters, industrial operator terminals, automotive centre consoles, medical equipment, and electronic instruments.
Customised Services	Dimensions, materials and colours can be customised to meet customer requirements.
