Videojet® 1280

From the intuitive interface to smart design features, the Videojet 1280 continuous inkjet (CIJ) printer is designed to be the easy CIJ printer to operate.

Ownership and usability are made easy with the Videojet 1280 continuous inkjet (CIJ) printer.

The Videojet 1280 CIJ printer has been designed to be simple to operate and maintain and is ideal for customers who are looking for the maximum functionality for the best upfront cost.

This CIJ printer provides stable performance and reliability across a broad range of operating conditions.

Uptime Advantage

- Leveraging proven and innovative technologies from Videojet legacy models
- Modular wear parts enable easy and reliable replacement by the customer, therefore reducing downtime
- Ability to connect to optional VideojetConnect™ Remote Service for direct access to our technical experts

Code Assurance

- Tablet-like functionality enhances an operator's ability to learn the interface to reduce coding errors
- The SIMPLiCiTY™ user interface greatly reduces operator printer interactions, helping to eliminate potential user errors through an intuitive, 8" touchscreen display
- User definable message rules can automate code content without need of operator interaction

Simple Usability

- 8" touchscreen display is intuitive to the operator without the need for extensive training
- On-board 'How to' videos greatly reduce the need for having an operator manual to hand
- The SmartCell design allows for simple, user-performed preventative maintenance

Built-in Productivity

- No mess, no waste, no mistake Videojet Smart Cartridge™
- Reduce waste and rework with the step-by-step guides in the easy-to-use operator interface
- Automated message rules reduce operator interaction
