/COMPANY PROFILE

Hebei Seawell Group starts international business of Candles since 2005. We have our own Candle factories in both Qingdao and Tianjin City, which already has passed BSCI and NBC Universal. Our products acquired the CE and ROHS Certificates

which is an important factor to measure the qualification of factories. We are hiring more than 400 skilled workers and supervisors work in 100,000 square meters workshops. Our factories' output has been up to 180 containers per month. By the time, more than 90% of orders can be finished within twenty days for the best efficiency.

/ENTERPRISE ADVANTAGES

01

We have been collaborating with clients from all over the world. Tianjin Seawell factory mainly produce white household candles for Africa and Middle East market. Qingdao Seawell factory's major field is customized candles, including jar candles, taper candles, pillar candles, birthday candles, art candles, etc. The main markets are EU, South and North America.

02

We have different materials to meet the clients' different requirements, such as: paraffin wax, palm wax, soy wax, coconut wax, beeswax, etc. Various scents are available as your customization.

03

We have professional and passion team, and our leader worked as an international trading expert for 30 years already. We still paying our full efforts to gain clients' satisfaction and develop the potential markets just like the first day we started.

晚香玉与玫瑰

SIZE : 80 * 90 mm

WAX : Soy wax

SCENT : Complex fragrance

Remark : Iron lid

The wind and mist of citrus and orange leaves,
Accompanied by the pure sweet water of the rose.

In a gentle blend of tuberose and neroli,
Feel the retro romance with Ylang.

Immersed in this gorgeous and classic atmosphere, Deep afternotes of rose,
musk, and wood,

Let the soul get real relaxation and nourishment.
