

- Key technical specifications
- Rated productivity 40m³/h
 - Feed capacity 1200L
 - discharge capacity 750L
 - Aggregate storage hopper capacity 4000L
 - Aggregate metering hopper capacity 1800kg
 - Aggregate measurement accuracy ±2%
 - Aggregate measurement accuracy ±2%
 - Aggregate measurement accuracy ±2%
 - Water metering range <300kg
 - Water metering accuracy ±1%
 - Cement metering range ≤500kg
 - kg cement metering accuracy ±1%
 - admixture metering range ≤5kg
 - admixture dosage with precision of ±1%
